

## **CIOB CONSTRUCTION QUALITY COMMISSION**

### TERMS OF REFERENCE

- To encourage a new quality culture to instil pride in the work of the construction sector.
- To improve the quality of the product, people and process, whilst recognising the regulatory, statutory and compliance requirements for design, off-site assembly and site production in the construction sector.
- To instil a greater awareness of quality in construction in the education and training of CIOB members and the wider construction community.
- To recognise the role of government, clients/owners, the design team, contractors, site production team, and subcontractors in the delivery of quality.
- To recognise the reality of constraints (quality of people and training, and skills availability) on the workforce and the fragmentation of the supply chain.
