Being part of a community

For standards. For change. For people.

What can becoming Chartered do for you?

Joining us will boost your career and provide you with incredible skills that meet the highest international standards. CIOB is respected by employers and organisations worldwide, and a Chartered Membership allows you to add 'MCIOB' after your name or 'FCIOB' when completing a Chartered Fellowship. You'll also be able to call yourself either a Chartered Construction Manager or Chartered Builder, allowing you to be recognised by employers, clients and colleagues across the industry.

Being a member of CIOB means you are part of a group of diverse, ambitious and emerging professionals who are proactively looking to get ahead in their career and make a difference to society through the built environment.

You will gain access to a range of services and benefits that will support you.

We can give you a platform to shine through our events, our competitions and the industry's most influential publications

We run over 500 events each year to help you grow your knowledge and network

You will be part of the biggest professional construction management community in the world, with 49,000 members ready to connect with you

Our learning will give you the tools to stand out and keep you at the cutting edge of the industry

MCIOB is comparable to a bachelor's degree, and FCIOB is our most prestigious grade of membership

What is our Student Pathway?

Our Student Pathway is designed to help those studying, and the tomorrow's leaders of the world, to start their journey with CIOB and the construction industry. If you're currently studying a construction or built environment-related degree then this pathway may be for you.

Our online library is full of industry-specific books and journals for your reports and dissertation. There are two pathways you can choose from, Basic and Enhanced, each offering you a range of benefits:

After finishing your degree, we will help you move pathway, offering support in achieving Chartership and throughout your career.

Basic and Enhanced

Young professionals' social events

CPD events and site visits

Online library – free books and journals

Member newsletters

Our public benefit CPD online

Enhanced benefits:

All CPD is included in the Enhanced Pathway

A printed subscription to Construction Manager Magazine (UK and Ireland only)

Tomorrow's Leaders Community

Our Tomorrow's Leaders community is shaping the future of the built environment through activities that empower, influence and support all members at every stage of their education and career. You will be automatically enrolled into this community the moment you become a student member, enabling you to reap the benefits immediately.

How can we help you stand out?

Most employers expect graduates to have practical experience and an understanding of the industry beyond course teachings. It makes a massive difference having hands-on experiences to raise your job prospects and expand your industry knowledge.

Joining this community will give you the opportunity to attend site visits or construction industry events, both virtually and in person, providing you with stories for coursework and interviews. You'll have access to a range of resources, learning materials, forums and networking opportunities to build your professional profile and shape your future.

The Tomorrow's Leaders community provides:

A professional network of industry specialists at all stages of their career

First-hand experience and connections with current industry professionals

Personal, technical and managerial learning and development opportunities

A platform to voice your views on the future of the built environment

Access to our Steppingstones programme of resources and mentoring to support you in becoming Chartered

The chance to give something back through working with schools, not-for-profits and outreach opportunities

Who are CIOB

We are the Chartered Institute of Building, and we stand for the science, ethics and practice of built environments across the world. Everything we do is to improve the quality of life for those using and creating the built environment.

We have a role in the management, leadership, education and development of our industry. For our members, guiding and educating them as they embark on their careers. For policymakers, defining the standards for all to meet. For the public, creating an environment they can live and work in safely, comfortably and confidently.

Creating the experts for the future

Using both the cutting edge of technology and the foundation of hard-earned experience, we train the construction experts of the future. From tools and data for the day-to-day, to degree qualifications for investing in a career. We train and shape workers and organisations who make our industry what it is. For those with practical experience, looking for formal qualifications reaffirming their knowledge. For those looking for a marker of trust, knowledge and reputation. For those planning environments built to last.

How to get in touch

CIOB is an international organisation with over 49,000 members in more than 100 countries. We offer benefits which are global in scale and local in implementation.

Our offices and staff are based near our members, empowering construction professionals to get involved in their community and feel supported through their professional journey.

No matter if you have already built up a lot of experience in the industry or are just starting your career, CIOB offers tailored and personalised pathways for you to reach membership.
