

# CIOB Awards

Thursday 15<sup>th</sup> May 2025 – The London Hilton Metropole

With over forty years holding these awards we've proven that the construction industry is brimming with talent. As a sponsor of the CIOB Awards you'll position your brand at the very heart of our mission – celebrating the exceptional achievements that drive our industry forward.

Join around 600 guests at this prestigious event where you can showcase your company's commitment to quality, innovation and most importantly the people that make the construction industry so special. Join our finalists, their companies, CIOB officials, industry leaders, and network with award finalists as our winners are celebrated and the CIOB Construction Manager of the Year (CMYA) is announced!

Be part of the celebration and let your brand shine at the awards where the finalists set the standard for the construction industry.

Categories include:

Rising Star | Team of the Year | Client of the Year | Residential | Public & Infrastructure  
| Restoration | Education | Leisure | Healthcare | & more...

Be part of CIOB  
history

More than four decades ago our Construction Manager of the Year Awards (CMYA) began its journey to find the very best examples of excellence and professionalism in the industry.

To this day, winning a CIOB Award is known to be a career changing moment.

### About CIOB

We are the Chartered Institute of Building (CIOB), and we stand for the science, ethics and practice of built environments worldwide. Everything we do is to improve the quality of life for those using and creating the built environment.

We are committed to creating a world where all construction professionals are safe, trusted, and respected at work. We want construction professionals to have the tools and expertise to achieve their goals.

We are the world's largest and most influential professional body for construction management and leadership. With over 46,000 individual members and over 1000 corporate members (either Company Members or Training Partners) we work with all shapes and sizes of companies and consultancies and with individual members in 126 countries. We represent the most diverse set of professionals in the construction industry.

We are widely considered to be the internationally trusted voice of the building professional, representing an unequalled body of knowledge concerning the management of the whole building process.
